PRIORITY GENERAL PLAN POLICIES FINDINGS

PLANNING CODE SECTION 101

(APPLICABLE TO ALL PROJECTS)

Proposition M was adopted by the voters on November 4, 1986. It requires that the City shall find that proposed alterations and demolitions are consistent with eight priority policies set forth in Section 101.1 of the Planning Code. These eight policies are listed below. Please state how the Project is consistent or inconsistent with each policy. Each statement should refer to specific circumstances or conditions applicable to the property. Each policy must have a response. If a given policy does not apply to your project, explain why it is not applicable.

Please respond to each policy; if it's not applicable explain why:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

3. That the City's supply of affordable housing be preserved and enhanced;

4. That commuter traffic not impede Muni transit service or overburden our streets or neighborhood parking;

Please respond to each policy; if it's not applicable explain why:

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

7. That landmarks and historic buildings be preserved; and

8. That our parks and open space and their access to sunlight and vistas be protected from development.
