**SCHEDULE OF APPLICATION FEES**

**Effective September 1, 2017**

**Introduction**: Fees shall be imposed in order to compensate the Planning Department for the cost of processing applications and for the development and revision of land use controls. Fees shall be charged and collected as indicated for each class of application, permit, filing request, or activity listed on this Fee Schedule and authorized in the San Francisco Planning and Administrative Codes. *(SF Planning Code, Section 350 and Administrative Code, Section 31.22)* Payments may be made by cash, checks payable to the San Francisco Planning Department, or wire transfer. For wire transfer instructions, please email cpc.wiretransfer@sfgov.org.

**CPI Indexing**: The City Controller will annually adjust the fee amounts on this fee schedule by the two-year average consumer price index (CPI) change for the San Francisco/San Jose Primary Metropolitan Statistical Area (PMSA). *(SF Planning Code, Section 350)* A new fee schedule showing these adjusted rates and any other fee changes will be published in August or early September each year after the City’s budget has been adopted.

**Time and Materials**: All applications except Short Term Rental Registry, Tourist Hotel Conversion, Appeals and Discretionary Reviews will be subject to time and materials billing if the cost of reviewing the application exceeds the initial fee charged on this fee schedule. *(SF Planning Code, Section 350g and Administrative Code, Section 31.22g)* Entitlements that are administratively reviewed and approved (without going to Commission Hearing) such as Administrative Minor Permit to Alter or Administrative Certificate of Appropriateness will be subject to time and materials billing only. No upfront application intake fee will be charged.

**Fee Calculators**: To estimate the intake fee for your project, please use the Fee Calculator for Environmental Review and Entitlements and the Fee Calculator for Building Permit Applications.

**Development Impact Fee Register**: All Citywide Development Impact Fees are collected by the Department of Building Inspection (DBI) located at 1660 Mission Street. Development Impact Fees will be adjusted annually in January by the Controller’s Office and will be based on Annual Infrastructure Construction Cost Inflation Estimates.

**Refunds**: When an application is withdrawn by the applicant prior to a public hearing, or deemed canceled by the Planning Department due to inactivity on the part of the applicant, then the applicant shall be entitled to a refund of the fee paid to the Department less the time and materials expended. Refund requests must be submitted within six months of the project closure date. *(SF Planning Code, Section 350i & Administrative Code Section 31.22i)*

**Contact Information**: For all other information, including Planning Application Forms, please visit the Planning Department website or contact the Planning Information Center (PIC) at 415-558-6377 or pic@sfgov.org.
