Planning Department
1650 Mission Street
Suite 400
San Francisco, CA
94103-9425

T: 415.558.6378
F: 415.558.6409

Note: A Pre-Application Meeting is required even if the horizontal addition referenced above does not increase the overall depth of the building. Similarly, a Pre-Application Meeting is required even if the vertical addition referenced above does not change the overall building height.

WHAT IS A PRE-APPLICATION MEETING?

The Pre-Application Meeting is a mandatory form of community outreach conducted by the project sponsor to receive initial feedback regarding certain project types prior to submittal to the Planning Department or the Department of Building Inspection. Adjacent neighbors and relevant neighborhood organizations are invited to attend this meeting, which must take place during certain hours of the day and within a certain distance from the project site. The meeting's intention is to initiate neighbor communication and identify issues and concerns early on; provide the project sponsor the opportunity to address neighbor concerns about the potential impacts of the project prior to submitting an application; and, reduce the number of Discretionary Reviews (DRs) that are filed.

WHEN IS A PRE-APPLICATION MEETING REQUIRED?

- New Construction; or
- Any vertical addition of 7 feet or more; or
- Any horizontal addition of 10 feet or more; or
- Decks over 10 feet above grade or within the required rear yard (excludes roof decks); or
- All Formula Retail uses subject to a Conditional Use Authorization; or
- Section 313, PDR-1-B projects; or
- Community Business Priority Processing Program (CB3P) projects; or
- Department Staff may request a Pre-Application meeting be conducted for any project.

WHY IS A PRE-APPLICATION MEETING REQUIRED?

The Pre-Application process is required for certain projects subject to Planning Code Section 311 or 312 Notification, or as required by other activities listed above. It serves as the first step in the process prior to building permit application or entitlement (Conditional Use Authorization, Variance, etc.) submittal. Those contacted as a result of the Pre-Application process will also receive a formal entitlement notice or 311 or 312 notification when the project is submitted and reviewed by Planning Department staff.

The benefits to project sponsors include: early identification of neighbor concerns; ability to mitigate neighbor concerns before project submittal; a more streamlined, predictable review from the Planning Department; and, elimination of delays associated with Discretionary Reviews.

The benefits to the neighbors include: the opportunity to express concerns about a project before it is submitted and eliminating the need to file a Discretionary Review.

INSTRUCTIONS

Prior to filing any entitlement (this includes but is not limited to Building Permits, Variances, and Conditional Use Authorizations) the Project Sponsor must conduct a minimum of one Pre-Application meeting if the proposed scope of work triggers such a meeting, as referenced on the previous page.

Additionally, if the project is required to submit a Transportation Demand Management (TDM) Plan pursuant to Planning Code Section 169, the Project Sponsor must discuss potential TDM Measures that may be incorporated into the project.

This meeting must be held in accordance with the following rules.

These groups and individuals must be invited to the meeting:

- Invite all Neighborhood Organizations for the relevant neighborhood(s). Note that the number of organizations extends beyond just your neighborhood association.
